Decora Smart Dimmer Anywhere Companion, Wire-Free 3-Way/4-Way/5-Way Control Decora Smart Wi-Fi 2nd Gen Dimmers

The Decora Smart® Anywhere Dimmer Companion pairs wirelessly with your Decora Smart Wi-Fi® 2nd Generation D26HD, D2MSD, D23LP, D24SF and DN6HD/MLWSB to provide additional control wherever you need it most such as at the base of a staircase, the end of a hallway or open areas with multiple entrances like a large kitchen or family room. Mount it directly on the wall surface or at an existing single or multi-gang wallbox — no wiring is required. The Decora Smart Anywhere Dimmer Companion is the perfect solution for locations where wiring or a wallbox with a traveler wire may not be present. For added convenience, you can even control the Decora Smart Wi-Fi 2nd Gen Mini Plug-In Dimmer to add a wall mounted dimmer for your connected plug-in lamps. Device Type : Anywhere Companion Dimmer

Grade : Residential

Hub Required : No

Warranty

Warranty : Two-Year Limited

Features and Benefits

- Place it anywhere you need additional lighting control to create 3-way/multi-way solutions with no wiring required
- Mounts directly to your wall surface or installs at an existing wallbox (single and multi-gang) where a traveler wire may not be present
- Slim profile, and because it's Decora®, it matches your in-wall Decora devices for a seamless look

- _ No Wi-Fi or app required for setup or operation
- 50-ft wireless RF range between the Anywhere Companion and the primary Wi-Fi 2nd Gen device
- Use with Leviton Decora standard or Decora Plus™ screwless wallplates (single and multi-gang)
- Replaceable CR2025 batteries included, with estimated 5 year battery life (results may vary)
- Easy battery replacement – no need to remove the device from the wall or wallbox
- Pair up to three Anywhere Companions with a Decora Smart Wi-Fi 2nd Gen device
