Decora Smart Outlet, Tamper-Resistant 15A, Wi-Fi 2nd Gen

Decora Smart Wi-Fi® 2nd Generation devices connect to a Wi-Fi network and the My Leviton app to provide wireless lighting and load control for the whole home. Leviton's Decora Smart Wi-Fi 2nd Gen Tamper-Resistant Outlet provides control of a variety of plug loads, including plug-in lamps, holiday lighting, electronics, and small appliances via the top-controlled outlet. The bottom outlet is always on, ideal for plugging in smart phone chargers or other devices that do not need to be controlled. The D215R features tamper-resistant receptacles with built-in shutters to prevent the insertion of unintended foreign objects. As well, the integrated button with vanishing feedback LED provides manual push-button on/off control and device status feedback. The Decora Smart Wi-Fi 2nd Gen Tamper-Resistant Outlet offers exciting advantages such as choice of voice with Siri, Google, and Alexa, to satisfy the needs and preferences of any user. With its slim profile, the device is easier to install in shallow wallboxes, and six color options make it aesthetically versatile for placement in any room of the home. Additionally, this outlet can be paired with Decora Smart Anywhere Switch Companions for wire-free switched outlet control of plugged in devices from a wall switch in up to three locations. Typical applications include switching of lamps, portable fans, kitchen appliances, indoor fountains, holiday lighting, and more. Technical Information

Electrical Specifications

Load Rating : 5A LED/CFL, 1500W Incand/Halogen, 15A Magnetic, 3/4 HP Motor

Termination : Screw Terminals

Voltage : 120 VAC

Environmental Specifications

Operating Temperature : 0°C to 40°C

Material Specifications

Color : White

Optional Color Change Kits

Available : Yes, DSRKT in Black, White, Light Almond, Ivory, Gray, and Brown

Product Features

Brand : Decora Smart Wi-Fi

Device Type : In-Wall Smart Outlet

Grade : Residential

Hub Required : No

Standards and Certifications

Standards and Certification : UL, FCC, NOM, Wi-Fi

Warranty

Warranty : Two-Year Limited

Features and Benefits

- Control lights and plug loads from anywhere using the free My Leviton app for iOS and Android, no hub required
- Schedule lights and connected loads to turn ON/OFF at specific times or based on sunrise/sunset, easily group your smart devices into rooms, and create scenes to activate multiple lights at once
 - Works with My Leviton, Amazon Alexa, Hey Google, HomeKit/Siri, IFTTT, SmartThings, Schlage
 - Automatically turn outlet off after pre-programmed period of time
 - Support for switched outlet control with Wireless Anywhere Switch Companion (DAWSC)
 - Compatible with Decora Smart Outlet Color Change Kits (DSRKT)
 - Provides two Tamper Resistant 15A, 120 VAC NEMA 5-15R grounding outlets (top controlled, bottom always on) for use with a wide variety of lamps, electronics, and appliances
 - Memory maintains ON/OFF status of loads and during minor power fluctuations
 - Integrated Button for ON/OFF manual control
 - For Indoor use only
 - Using My Leviton app, control up to 99 devices, 50 rooms, 50 activities, and 50 schedules per residence and up to 20 residences per account
