SPECIFICATION FEATURES

A...Electrical Quick Lock Adapter

Polycarbonate casing. Attaches electrically and mechanically anywhere along the track. Visual polarity line assures proper grounding. Two position conductor allows use in single circuit and either circuit of two circuit track.

B...Stem

Extruded aluminum stem allows lampholder to rotate horizontally 338° and adjust 0° to 90° vertically for maximum aiming adjustability.

C... Lampholder Housing

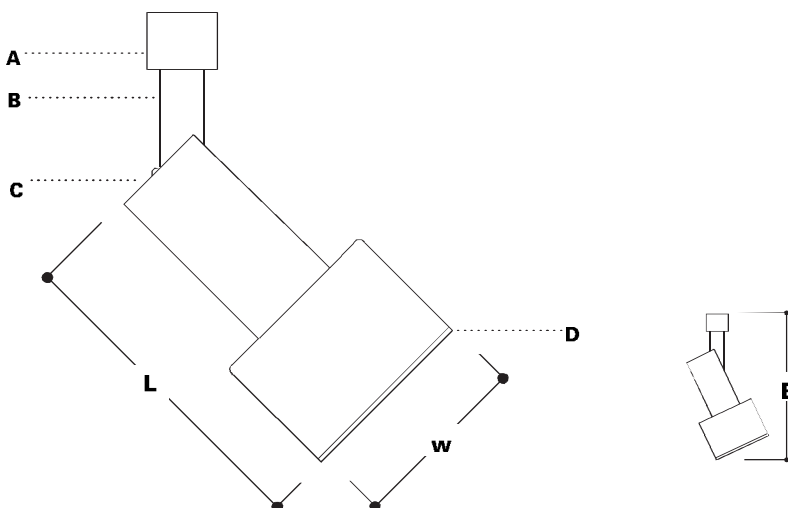

Deep drawn steel housing with baked enamel finish.

D... Baffle

Roll formed steel baffle available in black finish.
