Cree® PAR30 Short and Long Neck LED Spot and Flood Lights for Bright, Focused Light

With a choice of fully dimmable 25° spot or 40° flood lights to personalize your lighting experience, the Cree PAR30 LED bulb is an ideal choice in areas where focused or dramatic pools of light are desired—such as in a recessed can over a kitchen prep area or a track lighting fixture highlighting artwork on a wall. In addition, this LED bulb delivers a beautiful, bright white light with a high color fidelity that makes colors look the way they were intended.

Focused light

Dramatic pools of light

Cree PAR30 LED bulbs
