

UPC Code: 07847700556

C0001

Brand Features

Leviton cam-type connectors are designed for easy assembly and disassembly without special tools. An insulated screw is used to tightly secure the contact inside the insulating sleeve, making assembly, disassembly and field repairs effortless. The connectors use plastic locking and reinforcement rings molded into insulating sleeves and receptacles. Under severe stress and load conditions, plastic locking and reinforcement rings will not melt, break or crack.

Item Description

Lubricating Spray, for All Series, Industrial Grade, ECT Cam-Type Connector 16 Fluid Ounce Can -

Technical Information

Product Features

Component: Lubricating Spray

Type: 16 Fluid Ounce Can

Series: All
