

# Whisper Dimmer, Wireless Master (Incandescent, Halogen, ELV, Fluorescent, MLV, CFL, LED)

ADWR700MMTUW2

An innovative cross between a traditional toggle and a paddle switch, the adorne Whisper Dimmer features classic, elegant lines and a fluid motion, along with a convenient slider for dimming.

## features & benefits

- This dimmer includes wireless capabilities, allowing you to pair it with a remote wireless dimmer in another location to control a light from two places without rewiring. Must be paired with adorne Whisper Wireless Remote Dimmer. Master dimmer must be wired to light.
- Features **Tru-Universal** technology, which allows it to support any light type. Compatible with incandescent, halogen, fluorescent, MLV, ELV (forward and reverse phase), CFL, and LED.
- Complement your Whisper Dimmer with a Whisper Switch to enhance the ambience in your room.
- Easy "1-for-1" installation lets you simply replace your existing 700W dimmer with adorne in just minutes.
- Fits in your existing electrical box and does not require new wires for typical installation. Innovative assembly and snap-in system make it fast and simple to install.
- Shown in a classic white finish. Also available in magnesium.
- Easily customized with adorne wall plates available in a brilliant palette of 32 colors and a variety of luxurious materials.
- Complete your total designer look with options like a stunning adorne Accent Nightlight accessory.
- Your remodel looks like a million bucks. It deserves better than an ordinary light switch. Add that last finishing touch with adorne, a stunning, one-of-a-kind collection of switches, dimmers, and wall plates that will transform your walls from boring to absolutely breathtaking. It's time for a beautiful switch.
