

# Whisper Dimmer, Wireless Remote

ADWRMRUW2

An innovative cross between a traditional toggle and a paddle switch, the adorne Whisper Dimmer features classic, elegant lines and a fluid motion, along with a convenient slider for dimming.

## features & benefits

- This dimmer includes wireless capabilities, allowing you to pair it with a master wireless dimmer in another location to control a light from two places without rewiring. Must be paired with adorne Whisper Wireless Master Dimmer.
- Complement your Whisper Dimmer with a Whisper Switch to enhance the ambience in your room.
- Designed to support incandescent, halogen, MLV, fluorescent, and forward-phase ELV bulbs.
- Easy "1-for-1" installation lets you simply replace your existing dimmer with adorne in just minutes.
- Fits in your existing electrical box so no new wires are needed. Innovative assembly and snap-in system make it fast and simple to install or change any dimmer.
- Choose from a classic white or contemporary magnesium finish for a unique look.
- Easily customized with adorne wall plates available in a brilliant palette of 32 colors and a variety of luxurious materials.
- Complete your total designer look with options like a stunning adorne Accent Nightlight accessory.
- Your remodel looks like a million bucks. It deserves better than an ordinary light switch. Add that last finishing touch with adorne, a stunning, one-of-a-kind collection of switches, dimmers, and wall plates that will transform your walls from boring to absolutely breathtaking. It's time for a beautiful switch.
