

## INTERIOR INTERCOM UNIT

AI6000M1 | [adorne](#)

---

### FEATURES & BENEFITS

The adorne interior intercom unit works in tandem with one exterior video doorbell camera to see who's at the front door from multiple locations in your home.

View our [FAQ](#) page to learn more.

VIEW THE **360°**  
SHOWROOM TOUR

- The video doorbell camera transmits images from the front door to every intercom unit throughout the home, and each interior unit can communicate with other interior units via audio.
- Includes a power cable and must be plugged into an existing outlet. It can be surface-mounted to the wall, or placed on a tabletop through use of the integrated easel back.
- Additional interior intercom units can be added to the system and connected wirelessly to existing units.
- System limit is three interior intercom units per system.
