

PRODUCT INFORMATION

Halogen Excel. The new "A"

High efficiency incandescent "A" lamp replacement.

Satco's Halogen Excel line featuring Halogen and Xenon technology is the easy replacement for the traditional incandescent "A" lamp. With government regulations in effect for 75–100 watt incandescent lamps, and 40–60 coming in 2014 why wait to embrace this new technology for all wattages? It's the next step in energy efficient technology, and an easy replacement; the light output and the lamp itself are familiar looking and it will save on energy costs! Halogen Excel: Good for consumers and good for the environment. Everyone can benefit now!

Features

- Meets EISA requirements
- Fully dimmable, mercury-free, instant-on
- Up to 30% energy savings over incandescent lamps
- The look and feel of incandescent lamps

S2401, S2402,
S2403, S2404

S2405, S2406,
S2407, S2408

- 2 pack box
- Incandescent equivalent noted on front
